REAP THE BENEFITS

With an expected 1,000 delegates from around the world there will be no better place to showcase your company and its products and services to chiropractors.

For this very special 2019 WFC / ECU Congress, our theme will be **EPIC2019: Global Opportunities in Spine Care**. Our plenary sessions and workshops will focus on how chiropractors, as practising clinicians, can achieve success in practice through being **E**vidence-based, **P**atient-centred, **I**nterprofessional and **C**ollaborative.

We're very aware that a successful chiropractic profession creates success for our sponsors and exhibitors and that by working in partnership we can maximise the opportunities that are available for chiropractors around the world. We invite you to be part of EPIC2019 and to expose your products and services to a global audience.

With a superb space close to the main plenary hall in the Maritim Hotel, exhibitors can network and showcase their products as delegates mingle during refreshment breaks and lunches. The design of the Expo area has been carefully crafted around maximising foot traffic so that exhibitors can benefit from optimal product exposure.

At EPIC2019, we're offering tremendous marketing opportunities, with packages ranging from basic exhibition booths right up to benefit-packed Premier Sponsorship packages. Book now to secure your place at EPIC2019 and get your business seen in Berlin!
